

CHÂTEAU LE MOULIN

Commentaires et notes de dégustation – Millésime 2020

	JEB DUNNUCK	Mars 2023 :  Black cherries, leather, chocolate, and candied violet notes all emerge from the 2020 Château Le Moulin, a beautifully balanced, medium to full-bodied Pomerol with ripe tannins and a great finish. It has some oak to integrate, so hide bottles for 3-4 years, and it should drink beautifully over the following decade at a minimum
	ROBERT PARKER	Juin 2021 :  /  Displaying a deep purple-black color, the 2020 Le Moulin springs from the glass with intoxicating notes of wild blueberries, chocolate-covered cherries and licorice, plus fragrant hints of violets and cinnamon stick. The medium-bodied palate has lovely grace and poise, featuring blue and black fruit layers and a velvety texture, finishing with a spicy kick.
	JANE ANSON DECANTER	Mai 2021 :  (Primeur week tastings in Bordeaux) Mocha, bitter morello cherries and cinnamon combine to give this a gourmet, classically Pomerol feel on the opening, if slightly forced right now because there are bit tannins. Michel Querre, just 2.4ha. A yield of 42hl/ha. 100% new oak. Drinking Window 2025 - 2038
	YVES BECK	Mai 2021 :  /  80% Merlot, 20% Cabernet Franc Bouquet agréable, invitant. Il révèle des notes d'élevage suivies de nuances confites. Parfums de cassis et de menthe. Caractère friand et équilibré en bouche. Le vin est élégant, fin et bien soutenu par des tannins soyeux, parfaitement intégrés. Un vin charmant et convaincant. 2024-2040
	JAMES SUCKLING	Avril 2021 :  /  A solid, rich Pomerol with lots of ripe-fruit character, as well as lightly toasted oak and chocolate. It's full and chewy. Lots going on.
	MARKUS DEL MONEGO	Avril 2021 :  Dark purple colour with violet hue and black core. Very concentrated nose with ripe black stone fruit, elderberries and blackberries, distinct toasting aroma, dark chocolate and hints of mocha, balmy spices in the background. On the palate rich and powerful with ripe tannins, good mid palate, excellent length, juicy fruit and fine toasting flavour in the aftertaste.
